

PATIO PAVERS

Honor and Remember

at the
Robin Johnson House

Patio Pavers provide an opportunity to honor or remember a family member, friend or other person who has been an inspiration in your life or simply show your support for this important option for end-of-life care. The inscription may include a name and/or a message. Engraved pavers will be placed in the patio outside the family room. Proceeds from this project will go toward care for patients at Robin Johnson House and support for their families.
